

This form serves to collect 2019 membership information for current, prior and new members of the Oak Park Club. In order to keep our database current, we ask that you provide updated information for your household. Those who do not wish to join at this time may also provide contact information in order to be notified of events at the pool throughout the year! This form may be dropped off in our mailbox, or scanned and emailed to the pool.

The 2019 membership rates are described below. There is a one-time, non-refundable initiation stock fee of \$200 for new members, though new members also qualify for a reduced membership price for their first year! As in years past, those that do not plan on signing up for a pool membership can maintain their stock and voting rights through payment of the stock maintenance fee.
