FOOD Although you can bring a picnic lunch in a cooler and pay to check it outside of the park, we recommend bringing between \$7.00 and \$10.00 for lunch inside the park. Some people walk to K&W cafeteria too. We also understand that is a lot of money for lunch. In addition to lunch, many chaperones will be stopping for quick snacks on the way home at fast food restaurants and the like. We recommend packing light refreshments for the car ride and eating a good healthy breakfast before coming!

PARENTS In addition to coaches in attendance, we LOVE to have chaperones! Please contact Beth Nicholson (919-272-8799 | lbethnicholson@yahoo.com) if you are interested. Partial gas reimbursement will be provided depending on how the numbers work out.
